LDM's 2010 Ministry Reflections

January, 2011

Dear Friend of LDM,

Here are just a few highlights of what LDM accomplished in 2010 with YOUR help and God's grace.

It was such a joy for me to join with Youth With A Mission and many longtime friends for the Keith Green 28-28-28 worldwide Web Event from Kona, Hawaii. It was so meaningful to put forth a global call for believers to live intimate uncompromised lives with God, and to go to the hurting and lost in every nation.

A few other personal highlights were ministering at Teen Mania Ministries and Calvary Commission both in LDM's hometown in Texas, at a Pro-Life fundraiser in California, and at the launch event of STAND (Stop The Abuse Next Door) in Missouri.

We look forward to partnering with you further in 2011.

God bless you,

Melody Green

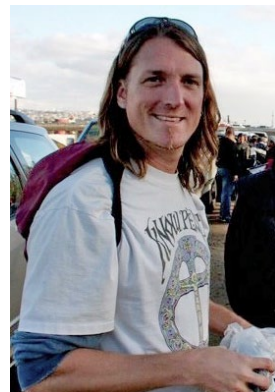

Keith Green 28|28|28

We pioneered an historic event with the University of the Nations, YWAM in Kona, Hawaii July 28th, 2010. The event honored Keith and his legacy of No Compromise and Missions. There were fresh words of challenge from many, including YWAM President, John Dawson, Melody Green, and the founders of YWAM, Loren and Darlene Cunningham.

Over 15,000 homes and venues, in 40 nations, watched LIVE via web-stream! Most watched in groups so there's no telling how many were, and continue to be, impacted. In fact, we had live chat going, and at a few points so many were chatting at once – about how the Lord was touching them – that there were a few glitches in the feed. Not a bad problem to have!!

A new challenge came forward – for 200,000 long term missionaries to take the Gospel to the ends of the earth. If you missed it, it's not too late! Watch online and capture the vision. www.LastDaysMinistries.org > Keith Green > 28|28|28

Mexico Mercy Ministry

Our Mexico Mercy Ministry continues to feed and clothe the poor, preach the Gospel and reach out to those who desperately need love and compassion. Wayne Kiger Rice, our Director (on left) has a deep love for the people of Mexico and ministers in the Tijuana area full time. Shoes pictured were donated to us – 400 pairs of new Crocs!

Haiti Earthquake Help

We assisted YWAM Haiti with relief funds for the horrific earthquake. We also sent our long time friend and missionary, Chuck, to be on the ground and assist with the overwhelming needs that Haiti faced and continues to face.

Josiah and Bethany Children's Homes Multiply!

There are now TWO orphanages operating in Mexico (Reynosa and Guadalajara) and one in Orissa, INDIA. These homes are giving hundreds of children, who had no hope, a bright future. Each Christmas and Easter teams come in for outreach to the Reynosa community. Visit lastdaysministries.org > Orphanage > Come to Mexico.

The Keith Green Film Project

We announced and launched prayer for the Keith Green Film Project. Beginning with an Email blast in April, followed with two National Phone Conference call-ins and a prayer leaders gathering in October, 2010. For more information on how to pray, and highlights from each of these prayer events, visit lastdaysministries.org and on the home page click on Keith Green Movie Prayer.

Letters of Testimony!

We continue to receive amazing testimonies and letters from lives being changed and touched through the ministry. They keep us going, so keep 'em coming! Letters like:

I've just been watching "Your Love Broke Through" DVD (the Life Story of Keith Green documentary) and it moved me to tears, softening my heart to God and opening my eyes once more to His way of doing things. I had been moving more and more away from allowing Him to lead me and teach me. 'God forgive me for hardening my heart and closing my ears to Your still small voice. Praise You that You remain faithful even though I often fall! I want to know Gods purpose for my life and I pray for guidance. Thanks for letting me share my experience with you... Mark

Looking Forward - 2011

"For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope.

Three Church Plants in Mexico

After 10 years of outreach, we are now in our 3rd church plant near Puerto Vallarta, Mexico. Led by La Fuente Riviera Ministries, LDM & Circle of Concern, our last official outreach trip will be November 10 -14th, 2011. Outreach involves evangelism, construction, eyeglass clinics and children's ministry. No experience needed. For more info on joining us: www.lastdaysministries.org > LDM > LDM Outreaches > Circle of Concern.

We have our hands to the plow, continuing in the things that the Lord has called LDM to. Our mission is to keep proclaiming a No Compromise, 'sold out to Christ' walk, and encourage all of us to share God's love to our neighbors, communities, nation and world.

Thank you for your continued partnership with us!
